

Photographic ID guidance for Site Safety Plus courses

A delegate who is attending a Site Safety Plus course must provide a piece of photographic ID to the training provider/trainer.

Below is a list of current acceptable photographic ID that CITB will accept from the delegate to confirm their identity.

Delegates who are not able to provide from the list below will not be admitted to the course.*

Acceptable Photographic ID	
Passport	A valid passport of any nationality of the delegate – must not be more than 6 months out of date
Photo Card Driving Licence	A valid UK only driving licence with a photograph of the delegate – must not be more than 6 months out of date
Non UK Driving Licence	Showing a photograph of the delegate – must not be more than 6 months out of date
Work ID Card	Showing a photograph of the delegate – must not be more than 6 months out of date (if applicable) and refer to the delegates present employer
EU Country ID Card	Showing a photograph of the delegate – must be no more than 6 months out of date
CITB Scheme Card	Showing a photograph of the delegate – must be no more than 6 months out of date. Acceptable CITB Scheme cards include CSCS, CPCS, CISRS
Student ID Card	Showing a photograph of the delegate, as well as year of study (e.g. 2018/2019 or expiration date and name of the institution of study) – must be no more than 6 months out of date
Citizen Card	Showing a photograph of the delegate and be no more than 6 months out of date

Proof of Age Card	Cards issued nationally in the UK by VALIDATE UK, bearing the PASS hologram bearing a photograph of the delegate
Young Scots Card	Showing a photograph of the delegate – must be no more than 6 months out of date
British Armed Forces Card/Veterans Card	Showing a photograph of the delegate and for an employee or former employee of the Armed Forces only (not a dependent or spouse) – must be no more than 6 months out of date

*If a delegate does not hold any of the above ID documents they will need to complete a waiver form.
